FINAL INSPECTION
CHENEGA BAY ALASKA

Project No.	City	Agency
EC03706/81	CHENEGA BAY	**BIA**
Date of Inspection	**BIA Representative**	**Title**
10/17/08	NANCY ELROD	CIVIL ENGINEER
Date of Inspection	**Tribal Representative**	**Title**
10/17/08	PETE KOMPKOFF	PROJECT ADMINISTRATOR

Comments of BIA Representative: VERY GOOD PROJECT OVERALL. THE R.A.P. SURFACING (BY SEPERATE FUNDING SOURCE) COULD USE SOME REPAIR. ALREADY SCHEDULED FOR NEXT SPRING. PUNCH LIST: FINISH BRIDGE RAILING WHEN BOLTS ARRIVE, CUT FABRIC BACK AT OLD STOCKPILE LOCATION ON CATO, PULL ~~ALL CONSTRUCTION STAKES~~ COMPLETED.

THE FINAL INSPECTION WAS ATTENDED BY PETE COMPKOFF (TRIBAL REP), MIKE HEISLER (BIA SUPERINTENDENT) AND NANCY ELROD (BIA CIVIL ENGINEER).

Comments of Tribal Representative: The project was very satisfactory in all Respects with only one problem. (The RAP WAS LAID IN VERY RAINY WEATHER AND POT holes are appearing in two traveled ~~areas~~ By the Shop & office). ~~The~~ The Sub Base, Drainage, STAIRS and dump Road were applied very ~~Respectively~~ and ~~STAFF~~ employee's performed above STANDARD IN All phases of The JOB. I'AM VERY Proud TO ~~have~~ been PART of this Road Project. (Pete Kompkoff)

RAP WAS NOT PART of this Project.

Upon final inspection, this project has been completed to a satisfactory condition.
