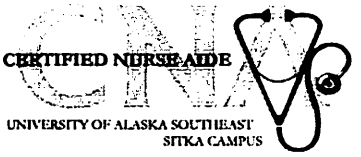
CERTIFIED NURSE AIDE

UNIVERSITY OF ALASKA SOUTHEAST
SITKA CAMPUS

I want to get this CNA because I want to help people that are disabled. And I interested on this because us I can see to my cousin she's working good at the Pioneer Home. And this is my first step to get my Nursing & if I can do my Nursing. I'm happy because I study CNA even though may English is not good. I'm happy to my classmates because they are helping me.

My Story



I initially started to get a good career in the medical field. As the class has progressed, I have found that I've been drawn to this profession by the wonder of helping others. Being married and having children, created a need to better my career through education. This class will give me an opportunity for good benefits and great pay.

I'm becoming A CNA because I enjoy working with and helping people. I am a modiverted/dedicated & very personable person and think I will do a great job as a CNA. CNAs are needed in Alaska because they do so much to help hospitals, nursing homes, and assisted living facilities. I am excited to join the Health care team!!
