Pursuant to the terms and conditions of the Grant/Award, this Authorization:

Amends Project Authorization 1265-M-01 to increase the amount by $5,000 to $105,000.

This increase is due to a new initiative being undertaken by the AK Health Reform coalition to host a series of three structured dialogues through the summer of 2011. The dialogues will be gatherings of approximately 65 invited participants, discussing one health reform-related topic per dialogue, and crafting consensus recommendations for action. Costs associated with hosting these dialogues are anticipated to include: venue rental, graphic design, facilitator, and supplies.

Outcomes of the structured dialogues include:

- Summary consensus recommendations and action steps

- Brief narrative reports of the conduct of the dialogues with any lessons learned
