This Amendment No. 1 to the Financial Assistance Award approved by the Federal Co-Chair of the Denali Commission is issued in triplicate and constitutes an obligation of federal funding. By signing the three documents, the Recipient agrees to comply with the Award provisions indicated below and attached. Upon acceptance by the Recipient, two signed Award documents shall be returned to the Federal Co-Chair of the Denali Commission and the Recipient shall retain the third document. If not signed and returned without modification by the Recipient within 30 days of receipt, the Federal Co-Chair may unilaterally terminate this Award.

The Commission is contributing \$50,000 for the close-out of the Wales clinic and \$50,000 for the close-out of the Savoonga clinic. The costs to complete both projects exceeded the preliminary estimates. It is noted that the Commission first entered into this Agreement in October 2000 as a demonstration project to determine what lessons can be learned in development of a primary care facilities program. One lesson learned that has now been included in the primary care program is to fund clinic construction based upon an independent cost estimate upon completion of 100% design drawings.

NSHC commits to completing the project close-out reports for these two projects within 90 days of execution of this Agreement.
