

## Quarterly Progress Report

Quarter ending March, 2001  
Grant Number: 801246

### **Services provided to local governments, owners, managers and operators of rural utility systems and projects.**

No activity this quarter.

### **Progress on training and education of the Contractor's Rural Utility Business Advisor.**

No activity this quarter. The position was advertised twice. Interviews were conducted and a candidate selected, however, approval has not been received as of yet.

### **Status on the "partnering" approach effectiveness and suggestions for improvement.**

The working relationship itself is what it should be.

During the next reporting period, hopefully a trainee will be on board whose interest is working on the water/sewer projects.

Note: Individual hired at beginning of April.
