RE: Center For Excellence (180-05) extension

Dear Mr. Angapak:

I received your e-mail message requesting that the proposed extension of the performance period of the Center For Excellence award be moved from September 9 to October 31, 2007.

We are willing to make the requested change in the ending date of the performance period as requested. This will be the last extension to this award.

Our records show that there is a remaining balance of \$61,086.86 in this award. Your last drawdown of funds was for the month of April. We have your request for May and we are awaiting information I requested of your staff in order to release this payment. Please provide an estimate of the expenses for June, July and August for which AFN plans to request reimbursement. This will allow us to estimate the amount available in the award for use in the remainder of the performance period (September – October).

We need more work plan details than you have provided. See our July 23rd letter. For the extension period, June 10 – October 31, we need to know:

- ◆ Staff work activities by staff name;
- ◆ Staff costs by name;
- ◆ Non-staff work activities by company name;
- ◆ Non-staff costs by company name;
- ◆ Deliverables to be produced
- ◆ Deliverables time line.
- ◆ Description of any other activities / costs for which reimbursement will be requested.

Please provide this information on or before September 14, 2007.

Sincerely,

A handwritten signature in cursive script that reads "Paul McIntosh".
