Dear Mr. Frawley,

This letter provides clarification on the intent of Amendment #10 to Award #0136-DC-2004-I22.

Amendment #5 to Award #0136-DC-2004-I22 established a pool for projects to be identified by the DHSS for youth psychiatric facilities. A solicitation was conducted in partnership with the Denali Commission and as a result the Salvation Army project was identified to utilize the balance of funds in this pool. The same project number (0136-A5) will be used. No further RFP activities will be required for this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Denali L. Daniels".

Denali L. Daniels, MPA
