Dear Mr. Boyce,

RE: Addendum No. "A" to Project 0185-DC-2005

This letter is written in accordance to the Financial Assistance Award for the project referenced above and the Memorandum of Understanding (MOU) between the Denali Commission (Commission) and the Alaska Native Tribal Health Consortium (ANTHC), dated September 2004. This is the first such Addendum letter issued by the Commission, but it is expected that this format will be used in future correspondence to clarify and further describe the scope of work previously funded through the award.

The following is offered: the Commission directs the ANTHC to award \$250,000 to the Yukon Kuskokwim Health Corporation (YKHC), for the design of the primary care clinics listed below. The clinics listed below have successfully completed the Commission's conceptual planning requirements (approval of the Business Plan and Site Plan Checklist).
