Dear Mr. McIntosh:

The Alaska Federation of Natives (AFN) formally requests a three month no-cost extension for the *AFN Center for Excellence* project. This would extend the project until September 9, 2006.

The extension will allow additional time for the full implementation of the grant goals and objectives of the *AFN Center for Excellence* project for AFN. This request is necessary due to the July 6 & 7, 2006 scheduling of a Leadership Conference which will fulfill AFN's requirement in hosting a major economic conference per the Center for Excellence contract. This extension of time will allow us with additional time to include a report on this major conference when we submit our final report to the Denali Commission at the conclusion of this project. Unless otherwise noted, the other terms and conditions, not related to this extension of time will remain in place.

Thank you for your consideration; if you have any questions concerning this request, please call me at AFN at 907-274-3611. In my absence, please ask for either Gladys Charles or Nelson Angapak, Sr.

Sincerely,

Julie Kitka
President
