RE: Addendum "I" to Award 100

Dear Mr. Morrison:

This document serves as Addendum "I" to Award 100 between the Denali Commission and the ANTHC. Specifically, Addendum "I" provides for preconstruction activities within the scope of work for the Perryville Clinic, project # AN04-G91. It is my understanding that archeological work may not be necessary for the project however other pre-design activities will need to take place to proceed to construction.

No other changes are made to this project or this award.

Sincerely,

A handwritten signature in cursive that reads "Denali Daniels" with "by KB" written below it.

Denali Daniels  
Health Facilities Program Manager
