Dear Mr. Marcil:

RE: Addendum No. "B" to Project 0071-DC-2002-I24 (*Site Adaptation Design – Akiak, Chefornak, Eek, Marshall, and Tununak*)

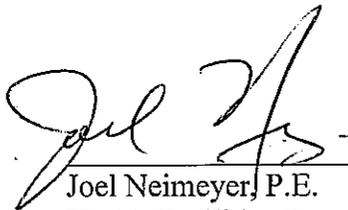

This letter is written in accordance to the Financial Assistance Award for the project referenced above. This is the second Addendum Letter issued by the Commission for this project to allow "Small Clinic" design funding of \$257,000 for five new community clinics in the Yukon-Kuskokwim Health Corporation (YKHC) region.

The Technical Assistance Subcommittee has approved the clinic business plans and ANTHC staff has approved the site plan checklists for the 5 communities noted above. Design funding is approved in the amounts shown on the attached spreadsheet for these projects from "Design" funds set aside under Project 0071-DC-2002-I24.

YKHC will provide project management for the projects. It is my understanding that YKHC will complete site adaptation design within 30 days and then in 15 days provide a 100% design cost estimate for the 5 proposed clinics.

If you have any questions, please call one of us at 907-271-1414.

Sincerely,

Joel Neimeyer, P.E.
