Dear Mr. Marcil:

RE: Addendum No. "D" to Project 0071-DC-2002-I24

This letter is written in accordance to the Financial Assistance Award for the project referenced above. This is the fourth such Addendum Letter issued by the Commission, but it is expected that this format will be used in future correspondence to clarify and further describe the scope of work previously funded through the Award.

The following is offered:

1. Table A reflects the funds release authorization for payment of design fees for the Port Lions clinic/multi-use project. These funds are to be withdrawn from the Design Fund pool established in the above project.
2. The Commission supports development of multi-use facilities and we understand that a portion of the proposed design fees are more multi-use related versus clinic. We ask that ANTHC track and record these costs so we can better respond to design requests for further multi-use facilities.

If you have any questions, please call me at 271.1624, or Joel Neimeyer at 271.1459.

Sincerely,

A handwritten signature in cursive script that reads "Tessa Rinner".
