PURPOSE: The purpose of this agreement is to establish a fund to assist in planning, construction, and furnishing of the *Center for Science & Engineering Academic Communities* that fulfills the vision of creating a space that will be forever reserved for the students as described in the attached project description. The new center will serve to facilitate the training and development of Alaskan students for careers in engineering and science. Specifically, the center will provide space to expand the successful Alaska Native Science & Engineering Program (ANSEP) model for academic communities to students of all ethnicities. It will be a place of safety and belonging. The Center will express values of welcome, hospitality, community, and learning. It will embody the spirit of Alaska's First People and be a landmark in our community. Here our students will meet to study and form the relationships that will bring them success. Students, industrial partners, and university faculty will gather daily to learn from each other. The new Center will be constructed in the woods adjacent to the Engineering Building on the UAA campus. UAA will maintain the Center.

The Denali Commission & the University of Alaska, School of Engineering ANSEP Program expressly agree as follows:

The University of Alaska, School of Engineering ANSEP Program ensures the Denali Commission the following:

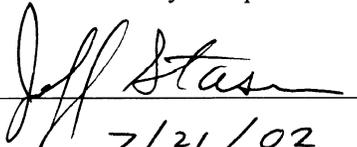

1. The funds provided by the Denali Commission in the amount of \$250,000.00 are restricted for use only on the *Center for Science & Engineering Academic Communities* Project.
2. Funding will be used as deemed appropriate by the ANSEP Director to meet the goals outlined in the purpose paragraph above.

The Denali Commission shall provide the following to the University of Alaska Anchorage ANSEP program:

1. The University of Alaska Anchorage will receive \$250,000.00 for the *Center for Science & Engineering Academic Communities* Project.

This agreement, including the attachments, constitutes the entire understanding and agreement between the parties, concerning the subject matter hereof. This Agreement shall not be modified, amended, or supplemented except by a written document executed by both parties.
