A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Old Harbor Tribal Council	=	Tribal Council
Alaska Native Tribal Health Consortium	=	ANTHC
Cooperative Project Agreement	=	CPA
Denali Commission	=	Commission

On Sept. 9, 2004, ANTHC and Old Harbor Tribal Council executed a CPA authorized by the Denali Commission to construct a new health clinic in Old Harbor, Alaska. Project activities included site preparation, materials and equipment, construction, and labor. In addition, if funding is available, the project will construct a separate multi-use structure and enclosed connection to the clinic. If project funding proves insufficient, the clinic would be constructed as a stand-alone facility.

Project funding totaled \$1,513,235 and was provided by the following agencies:

- \$827,235 of Commission funds, via Denali Commission Financial Assistance Award Project No. 0100-DC-2003-I13, Addendum B, dated September 2004
- \$192,000 of 2003 Indian Health Service Tribal Equipment funds, via Denali Commission Financial Assistance Award Project No. 0100-DC-2003-I13, Addendum B, dated September 2004
- \$194,000 of Tribal Council funds, via the Kodiak Area Native Association
- \$300,000 of Tribal Council funds, via the Old Harbor Village Corp. (to fund the multi-use structure and enclosed connection to the clinic)

On Jan. 28, 2006, ANTHC and Old Harbor Tribal Council executed an Amendment No. 1 to the CPA to add \$420,660, via Denali Commission Financial Assistance Award Project No. 185-05, dated August 2005.

B. REVISION OF PROJECT FUNDING

This Amendment adds \$422,558 of Commission funding, via Denali Commission Financial Assistance Award Project No. 185-05, Amendment No. 3, dated August 2006.

Project funding therefore totals \$2,356,453.

A revised project budget and funding sources table is provided below.

MEMORANDUM

DATE: October 17, 2006

FROM: Environmental Coordinator

SUBJECT: Village of Old Harbor - Final Environmental Review
Project No. AN 04-GB9

TO: FOR THE RECORD

An environmental review, in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA), is required for this project based upon proposed Federal funding for this project. The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with this phase of the project in consultation with applicable federal, state, and local authorities. An Environmental Review Checklist was completed September 1, 2004 for the proposed health facilities project. The scope of the project remains unchanged with Amendment No. 2.

The ANTHC will revisit the environmental review to determine if potential environmental concerns have been addressed if the scope of work changes in the future.
