A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

Alaska Native Tribal Health Consortium	=	ANTHC
Financial Assistance Sub-Award	=	FSA

On July 11, 2003, the ANTHC and the City of Saint Michael executed an FSA authorized by the Denali Commission to construct a new health clinic in the City of Saint Michael, Alaska. The project was funded by the Denali Commission.

B. AMENDMENT TO REVISE PROJECT BUDGET AND FUNDING SOURCES TABLE

This project was originally awarded \$304,500. This Amendment will add \$257,500, for a total award of \$562,000. The additional funds are derived from Denali Commission Financial Assistance Award Project No. 0100-DC-2003-I13, dated July 2003.

The additional funding is being added to the project to address costs related to interior rough-in plumbing and exterior completion.

A revised Project Budget and Funding Sources Table is provided below.

Project Budget and Funding Sources

Job Type	Scope of Work	Qty	Units	Unit Cost	Denali Com. FY00	Denali Com. FY03	Total
M-CL	Construct new health clinic	1	LS	304,500	304,500	0	304,500
M-CL	Additional costs related to interior rough-in plumbing and exterior completion	1	LS	257,500	0	257,500	257,500
Total Project Cost					\$304,500	\$257,500	\$562,000

For the original project, ANTHC was funded with \$14,500 for project operations expenses associated with this project. These expenses include construction project salaries, materials, travel, freight, and utilities. The funds were a part of the \$304,500 total project cost.

For this Amendment, ANTHC is being separately funded by the Denali Commission in the amount of \$42,487 for program and professional operations expenses associated with this project. These expenses include ANTHC professional salaries, travel, and related professional support. The funds are not a part of the \$257,500 total project cost.

This Agreement shall take effect upon signature by all parties and remain in effect until the expiration of the "Performance Period" specified within the Commission's Financial Assistance Award, dated July 2003.

This document constitutes Amendment No. 1 to the FSA for the new health clinic in the City of Saint Michael, Alaska. All other sections of the original FSA remain in effect as agreed upon and executed.

MEMORANDUM

DATE: December 2003

FROM: Environmental Review Officer

SUBJECT: City of Saint Michael – Environmental Review
Amendment No. 1, Project No. AN 00-G65

TO: FOR THE RECORD

Based upon proposed Federal funding for this project, an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA) is required. The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in June 2003 with respect to the proposed sanitation facilities construction at Saint Michael, Alaska under Project No. AN 00-G65. This Amendment will not change the scope outlined in the original document, and therefore no additional environmental review is necessary at this time.

If the scope of work is changed in the future, then the ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed.
