PROGRESS REPORT

Quarter Dates December 2000

A. Project Status

Stream gages were installed and ANTHC & USGS both made site visits this fall. At this point the rfp for engineering services is being developed and we are waiting for data to be collected from the stream through March 2001. USGS will be providing a annual report at that time.

All is going well. The coordination and communication has been well.

No financial advance requested at this time.

- B. Project on schedule. YES NO
- C. Project on budget. YES NO
- D. Project problems. YES NO

If so, planned action to address problems:
