***Financial Assistance Award Conditions
Between the Denali Commission and
Alaska Energy Authority
for Rural Bulk Fuel and Power System Upgrades
Award No. 0048-DC-2002-II, Amendment 17
June 2005***

All changes to the award conditions are noted below.

1. Scope of Work

There are no changes to the award conditions or time. Construction funding in the amount of \$900,000 for the Middle Kuskokwim Regional Energy Project funded under this award is removed from this award, and will be reobligated to award 0148-DC-2005 for the same project. This is so that full construction project funding is aggregated onto a single award for consistency and visibility of the true costs of construction of that important regional project.

2. Award Performance Period

The Award Performance Period for this award and all related sub-projects remains February 1, 2002 through January 31, 2007.

There are no other changes to the original Financial Assistance Award, as amended.
