*Award Conditions to the Financial Assistance Award  
Between the Denali Commission and the City of Sand Point  
For Clinic Replacement – Planning, Design and Construction  
Award No. 0058-DC-2002-111, Amendment #3  
June 2005*

All changes to the award conditions are noted below.

***1. Scope of Work***

The Denali Commission is providing the City of Sand Point \$453,000 in additional construction funds for completion of the Sand Point clinic. This award is made in conjunction with \$453,000 in cost share match funds previously secured by the City of Sand Point for the clinic construction project. These funds are provided in response to the City of Sand Point's request for additional construction funds based on escalating material and construction costs that occurred after completion of the 100% design-cost estimate, and prior to construction start on the project.

Funds from this award shall be used for construction of the Sand Point Clinic, which will be completed under contract by Paug-Vik Development. The City of Sand Point competitively procured Paug-Vik Development's services through a fair and open process that is in keeping with Federal procurement guidelines.

***2. Award Performance Period***

The Award performance period is amended to August 1, 2002 through March 1, 2007. This is the period during which Award recipients can incur obligations or costs against this Award.

There are no other changes to the original Financial Assistance Award, as amended.
