Department of Health and Social Services, (A-DHSS, Facilities Section)
For Other Than Primary Care Projects
Award No. 0136-DC-2004-122, Amendment 5
August 2005***

All changes to the award conditions are noted below.

1. Scope of Work

This amendment adds \$110,000 to this award for youth psychiatric facility planning, design, construction and/or renovation. The approved scope of work is consistent with the FY05 youth psychiatric facility Request for Proposal (RFP) to be conducted by the A-DHSS.

That scope reads as follows:

RFP for Statewide Repair, Renovation, Design, Construction and/or Equipment Purchase for Youth Psychiatric Facilities -- \$110,000

A pool in the amount of \$110,000 is established for statewide repair, renovation, construction and/or equipment purchase grants for youth psychiatric facilities. A Request for Proposal (RFP) process will be conducted by the A-DHSS. Projects over \$100,000 will be required to submit a business plan for sustainability. Projects under \$100,000 will require the signed endorsement of the A-DHSS and the Alaska Mental Health Trust Authority in advance of funding. Applicable cost share must be documented prior to funding. Site control for all projects must be documented in advance of funding. The A-DHSS shall provide a final project list to the Denali Commission by November 30, 2005 for final funding recommendations. The A-DHSS shall administer these awards upon this final approval.

This funding shall be used prior to FY05 funding.

2. Award Performance Period

There are no changes to the performance period.

There are no other changes to the original Financial Assistance Award, as amended.
