***Award Conditions to the Financial Assistance Award
Between the Denali Commission and Valley Community for Recycling Solutions
For Solid Waste Equipment Purchase
Award No. 210-06
April 2006***

1. Scope of Work

The non-profit organization, Valley Community for Recycling Solutions (VCRS), serves 33 small communities in the Matanuska Susitna Borough spread over 24,000 square miles (Big Lake, Buffalo, Soapstone, Butte, Chase, Chickaloon, Farm Loop, Fishhook, Gateway, Glacier View, Houston, Knik River, Knik-Fairview, Lake Louise, Lakes, Lazy Mountain, Meadow Lakes, Palmer, Petersburg, Point MacKenzie, Skwentna, Susitna, Sutton-Alpine, Talkeetna, Tanaina, Trapper Creek, Wasilla, Willow, and Y). The total potential, summer population of the area is 80,000.

The communities are mostly un-incorporated and bring refuse to the Borough landfill, if any action is taken. Many communities are only beginning to have solid waste handling options. Through its education and collection activities, the organization diverts 5% of the total waste stream from the Borough landfill and has a goal of 25% diversion. Even more important, it gives citizens an alternative to multiple small local dumps that have an impact on the watershed systems in the area.

This grant allows VCRS to purchase the following Solid Waste equipment:

- (10) 2 cubic yard recycling hoppers (Hippo Hopper brand)
- A steel yard ramp (Handi-Ramp)
- A scale

This equipment will increase the ease of use for the public and the operational efficiency of the staff. In addition, the VCRS is compensated by the borough for the waste it diverts. This provides an income as well as the funds received for the sale of bales of recyclable material.

The amount of this Award is not to exceed \$34,655.

All Commission funding is intended for use for the scope of work identified in the Award document only. Any balance of funds remaining after the full scope of work has been completed will be returned to the Denali Commission.

2. Milestones

The following milestones are identified as the major steps to be completed as part of the project. "Planned" dates for the first milestone are included here. As part of each progress report, recipients shall update the progress toward meeting these milestones (see section 7, Reporting).
