- b. Identifying at least five new villages to become members of the Y-K RUC for a total of at least 11 villages, or approximately 400 new connections.
- c. Providing start-up funds for new RUC villages, along with funds to cover the projected gap in revenue as the new member villages begin operation.
- d. Purchasing spare parts and other supplies for the utility.
- e. Providing funds to cover revenue gaps in the current RUC villages and anticipated gap in revenues for the first year of operation of new RUC villages.
