For Rural Primary Care Facilities: Planning, Design and Construction FY2004
Award No. 0146-2004-I29 Amendment 3
January 2007***

All changes to the award conditions are noted below.

1. Scope of Work

This Amendment changes the title of the “Repair and Renovation Funds Reserve” (DEN-I29-RR) to “Statewide Planning, Design and Construction Pool”. Repair and Renovation is included in the definition of Construction for purposes of this award.

This Amendment also funds AN04-G88 Chignik Lake in the amount of \$455,326 from the newly named Statewide Planning, Design and Construction Pool. This funding is necessary to keep the construction project on schedule and is to cover the unforeseen cost overrun of mechanical equipment purchase, installation, costs associated with shipping and stopping and starting the project back up in winter 2005-06 (as reflected in the exceptions report to Commissioners.) The balance before this action is \$606,271 and the balance after this action will be \$150,945.

This Amendment also funds AN06-GI3 Igiugig for clinic design in the amount of \$125,000 (\$100,000 for design and \$25,000 for ANTHC fees per 2006 MOU) from the newly named Statewide Planning, Design and Construction Pool.

The balance of the pool prior to these actions is \$606,271. The balance of the pool after these actions is \$25,945.

2. Award Performance Period

The amended Award performance period is September 1, 2004 through March, 31, 2008. This is the period during which Award recipients can incur obligations or costs against this Award.

There are no other changes to the original Financial Assistance Award, as amended.
