For Solid Waste Equipment Purchase  
Award No. 266-07  
April, 2007***

***1. Scope of Work***

This award to the Kenai Peninsula Borough is for the purchase of four 30-cubic yard capacity containers to be used to collect recyclables in three rural communities – Seldovia, Nanwalek and Port Graham. The recyclables will be shipped to the Borough’s Homer Landfill to be prepped for shipment to recycling markets in Anchorage.

All Commission funding is intended for use for the scope of work identified in the Award document only. This project is intended to address deficiencies in solid waste disposal practices which may threaten to contaminate local drinking water supplies. Any balance of funds remaining after the full scope of work has been completed will be returned to the Denali Commission.
