Project Number 397-1

Project Title Update Facility Cost Estimates, Kaltag & Chalkyitsik

Performance Period January 29, 2008 through June 30, 2010

Commission Amount \$3,000

Match Source (s) N/A

Match Amount N/A

Pursuant to the terms and conditions of the Award, this authorization:

Provides Alaska Native Tribal Health Consortium (ANTHC) authority to proceed with updating the facility cost estimates for clinics designed previously:

- Kaltag, design was completed in December 2005, with the cost estimate completed in January 2006
- Chalkyitsik, design was completed in December 2004

In order for the communities to determine the feasibility of obtaining match amounts required for construction, the cost estimates for these clinics need to be updated to current prices.

The Commission recognizes that the most cost-effective manner in which to accomplish these cost estimates updates is for ANTHC to utilize the vendors that completed the initial estimates for these updates.

Milestones for these projects shall be marked as "In Progress" as of May 1, 2009 and "Project Close Out" completed by July 31, 2009.

Total project cost: \$1,500 each = \$3,000

(No match is required for this phase of planning & design)

Funding for this project comes from the unallocated funds on award 397.
