Alaska Native Tribal Health Consortium	=	ANTHC
Cooperative Project Agreement	=	CPA
Denali Commission	=	Commission

On April 17, 2006, the ANTHC and the Norton Sound Health Corporation executed a Cooperative Project Agreement (CPA) to perform the design and the construction planning for a new health clinic in Shaktoolik, Alaska. No construction was performed under this project phase.

This project was originally funded with \$71,595, via Denali Commission Financial Assistance Award No. 0146-DC-2004-I29, Addendum E, dated February 2006.

The project has previously been amended as follows:

In Amendment No. 1 to the CPA in May 2007, the Commission awarded additional funding of \$173,763 via Denali Commission Financial Assistance Award No. 185-05, Amendment No. 5, bringing the total project funding to \$245,358. In addition, Amendment No. 1 to the CPA changed the project administration to ANTHC, and updated the Provisions for Project Completion accordingly.

MEMORANDUM

DATE: September 9, 2010
FROM: ^{CN} Chris Vaught, Environmental Coordinator Supervisor
SUBJECT: Health Facility Design and Construction Planning - Shaktoolik, Alaska
Environmental Consideration
Amendment No. 1 to CPA, Project No. AN 05-GD4
TO: IHS NEPA Determination

Federal funding for this project requires an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA). The Alaska Native Tribal Health Consortium (ANTHC) uses the Indian Health Service (IHS) environmental review procedures as outlined in the Environmental Review Manual, issued in January 2007. Current IHS policy (Federal Register, Vol. 58, No. 3, January 6, 1993, pp. 569-572) allows for categorical exclusion of actions and construction activity that do not have a significant impact on the environment.

The original scope of work for Project AN 05-GD4 was to provide design and construction planning for a new health clinic in Shaktoolik, Alaska.

An environmental review was completed in March 2006 with respect to the proposed health facilities planning project at Shaktoolik, Alaska under Project No. AN 05-GD4. This amendment changes the amounts in the final funding and cost tables, and the environmental impacts reviewed are within the scope of the original document and consistent with current regulations. No additional environmental review is necessary at this time.

The ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed if the scope of work changes.
