Subject: Authorization for Entry for Construction - Denali Commission - MOORING POINTS PROJECT - Urgent			

## Message:

This information was sent to the City of Buckland on 19 Jan 2012. It is becoming urgent that we receive your Authorization for Entry for Construction by Mar 25, 2012. I want to restate what we are trying to do.

Before work can begin on this project, the City of Buckland must certify ownership and give the District authorization to enter the property for construction. Enclosed for execution are two copies of an Authorization for Entry for Construction, with instructions. Please have a proper and duly authorized officer sign and return one executed copy to this office; it can also be sent via FAX to (907)753-1836. This authorization for entry must be received by the Corps as soon as possible to assure that your community is scheduled in the next construction contract.

Re: Certificate of Ownership  
Galena Mooring Points Project

Dear Ms. Riley-Ramsey:

Our firm serves as the City Attorney for the City of Galena. We enclose a fax received from the City of Galena with Mayor Sweetsir's signature and have signed under the Attorney's Certificate of Authority. We did so after reviewing both Resolution 2012-08 and materials accompanying a February 6, 2012 letter from the Realty Services Branch to Mayor Sweetsir, including a page marked "Exhibit A" which we believe is the "Exhibit A" referenced in the Authorization for Entry for Construction signed by Mayor Sweetsir. For unknown reasons, we have not been able to print out this page for inclusion with the Attorney's Certificate of Authority despite repeated attempts to do so.

Very truly yours,

BOYD, CHANDLER &  
FALCONER, LLP
