RE: Letter of Rejection of Quotes - Water Storage Tank Insulation System
Replacement Project – RFQ #2012-01 – City of Shaktoolik, Alaska

Dear Mr. Dinow:

On June 22, 2012, the City opened quotes for the project referenced within the regarding line above. Please allow this letter to serve as notification that the City intends to reject all quotes received on the basis that none were determined to be reasonable, responsible and responsive. Additionally, all quotes exceeded the amount of funding available for completion of the project. The City plans on re-evaluating the proposed project and potentially soliciting more quotes in the near future with a different scope of work.

The City appreciates your interest and effort in preparing and submitting a quote for the water storage tank insulation system replacement project. Please do not hesitate to contact me via phone at: 907-271-1197; or, via email at [mspafford@denali.gov](mailto:m-spafford@denali.gov), if you have any questions or need any assistance.

Sincerely,

A handwritten signature in blue ink that reads "Mark Spafford".
